## WILSON'S PLAN IS REJECTED BY RESERVE BOARD

Refuses to Permit Federal Banks to Establish Pan-American Agencies.

McADOO HAD BACKED PROPOSAL IN SESSION

reserve banks in the leading cities of Central and South America.

Mr. McAdoo had laid before the board breaking point for a week.

"Yes, the report that I have resigned Pan-American financial conference of of late. I cannot be carried along on that kind of a kite.

be subjected sooner or later to the infuence of the Executive. To-day's de- was cision by the board, however, is re- Ford. garded by many as in the nature of a seclaration of independence.

In the report which Secretary Mcsubmitted to the Reserve Board interest. dong with the President's letter he contended that manifestly the resources acting individually were insufficient to meet the demands of the situation now or as it will develop. He said:

The twelve Federal reserve banks could, with the consent of the Federal Reserve Board, establish joint agencles in each of the countries of Latin America, their interest in such agencies to be in proportion to the capital

The combined capital stock and reources of our Federal Reserve banks utilized in this way for the extension and promotion of our foreign comand promotion of our foreign com-merce would give them unrivalled financial power. They could main-tain themselves in foreign fields in competition with the world and per-form a service of incalculable value the American people.

Secretary McAdoo in that report relected as distinctly inferior to his own plan the suggestion which the board, actuding himself, has now adopted, to sk for an amendment of the national as to permit individual to undertake such a de-Here is a statement issued by the

## RUSSIANS TO STRIKE THREE BULGARIAN ARMIES INVADE SERBIA, MENACING NISH AND ORIENT RAILROAD

THREE Bulgarian armies have crossed the Serbian frontier, threatening the Belgrade-Nish-Salonica railroad, along which the allied forces must advance to relieve the Serbs. The Bulgar troops are reported in the neighborhood of Zaitcar and Kniazevac, northeast of Nish, and Vlasotince, southeast of the Serbian capital, nearer than the other points to Guevgheli, where the strategic railroad enters Serbian territory from Greece.

Semendria, an important Serb fortress on the Danube, east of Belgrade, has been occupied by the Teutons. The arrows on the accompanying map show the situation of the various Teuton and Bulgar forces now invading Serbia.
